2011-2012 Special Condition Application for a Dependent Student

Student Name: _____ NHU ID/SSN# _____

Current Mailing Address: _____

City State Zip Code

Current Telephone Number: _____ Date: _____

This application is for a review of special circumstances that have arisen, which you feel may change your financial aid eligibility. We require that certain documents **MUST** be provided to support the specific special condition selected by you and/or your spouse. We start with an evaluation of the accuracy of the information that you submitted on your Free Application for Federal Student Aid (FAFSA). We will evaluate the supporting documents along with your FAFSA to determine if you are eligible for any adjustments.

The United States Department of Education provides in the Higher Education Amendments of 1998 a reaffirmation of the use of professional judgment in determining eligibility for federal financial aid. This provision allows for consideration of expected year income, instead of prior year income to calculate a student's eligibility. The student's situation **MUST** meet one of the criteria used by National Hispanic University as a special condition. This means that a student who meets a special condition in the 2011-2012 award year may have his/her eligibility calculated using expected income from 2011.

Required Documentation for All Conditions

- 2010 signed copy of student and parent(s) Federal Income Tax Return (including all schedules, W-2s, 1098s and 1099s). If your supporting parent filed separate from their spouse, they must provide both returns.
- 2011-2012 Dependent Verification Worksheet

YOUR REQUEST WILL NOT BE CONSIDERED IF THE REQUIRED DOCUMENTATION IS NOT PROVIDED.

No Guarantee

Reporting a special condition does not guarantee that an adjustment will be made. The Federal Government has strict guidelines that the college must follow in these situations. The Office of Financial Aid may deem that the condition does not fit the spirit of the federal regulations governing financial aid programs. **ALL DECISIONS MADE BY THE OFFICE OF FINANCIAL AID WILL BE FINAL.**

Notification

The Office of Financial Aid will review your Special Condition Application on a chronological basis. That is, applications are reviewed in the order of the date of submission. If the application is approved, the student will receive an email reflecting the approval. If the application is denied, the student will be notified as such by email. Lack of notice means the application has not been reviewed as of yet.

Situations that do NOT qualify as a Special Condition

Examples would include, but are not limited to:

- a student/parent who decides to quit their job,
- a student/parent who decides to reduce their work hours to attend school,
- consideration of expenses that are being paid on a regular basis (household bills/credit cards, car payments, mortgage payments)
