**Admission Application  
2010–2011**

---

## APPLICATION PROCESS

*Thank you for considering National Hispanic University! We look forward to reading your application. National Hispanic University welcomes students from all ethnic, religious, and racial backgrounds. We take pride in the personal nature of our admissions process and are committed to making a fair and timely decision on your application.*

*Whether you are applying as a freshman, transfer student, or credential applicant, please review the following information. The best way to ensure that your application receives prompt attention is to include all application materials when submitting your application packet. It is a good idea to make a copy of your completed application for your records.*

If you have further questions, please contact the Office of Admissions at:  
408-273-2770  
[lpaz@nhu.edu](mailto:lpaz@nhu.edu)

## Freshmen

Candidates are required to satisfy the following requirements to be accepted into an undergraduate program:

- Have graduated from a recognized secondary school  
or
- Have taken the General Education Development Test (GED)  
or
- Possess the equivalent in formal education
  
- Have a minimum secondary school grade-point average (GPA) of 2.0 from the last three years of study for first-time freshmen, or 2.0 GPA for transfer students (on a 4.0 scale). Students with a GPA of less than 2.0 may petition in writing to NHU admissions for consideration for probationary admission for the first semester of enrollment. Students admitted on probation must obtain a 2.0 GPA or better in their first semester to continue. Failure to do so may disqualify the student.

In addition, students need to provide the following to the Office of Admissions:

- NHU admission application
- A \$50 non-refundable application fee
- An official high school transcript or an official GED Test score (must be sent directly from originating school/agency to NHU). A student unable to provide these may complete a High School Graduation/GED Statement, attesting to having completed high school or the GED Test.
- Statement of purpose
- Enrollment Agreement

*Official transcripts must be sent directly to the Office of Admissions from each originating high school/agency and/or each college attended. "Issued to Student" transcripts will not be accepted.*

## Transfer Students

In addition to the items required of freshmen applicants, **transfer** applicants are required to provide the following to the Office of Admissions:

- Official transcripts from each college attended, if applicable

*Official transcripts must be sent directly to the Office of Admissions from each originating high school/agency and/or each college attended. "Issued to Student" transcripts will not be accepted.*

Courses designated as "University of California Transferable" or "California State University Transferable" will be accepted as transferable to NHU for students transferring from an institution that is part of the California Community College System.

Transferability of other courses will be considered on a case-by-case basis. Normally, Physical Education courses and Computer Science courses that are more than 3 years old, are not transferable.

Credit for undergraduate work completed at other institutions may be accepted in partial fulfillment of the requirements for degrees at NHU. The work, however, must be of acceptable quality (i.e., courses with a letter grade of C- or better); be comparable in nature, content, and level of credit; and be appropriate to the student's degree program. An official transcript from each college attended must be submitted, along with the other required admission documents.

## International Students: *We are currently not accepting international students for 2010–2011.*

In addition to the items required of freshmen applicants described above, **International Student** applicants, or those holding U.S. student visas, are required to provide the following to the Office of Admissions:

- A completed International Student's Confidential Declaration of Finances Form. This declaration should be completed and signed by the applicant and his or her sponsor or guarantor.
- An original or certified copy of bank letter(s) verifying that the applicant, sponsor or guarantor has sufficient funds (a minimum \$25,000 in U.S. dollars) to show that the applicant will have sufficient financial resources to cover direct and indirect expenses for the duration of the degree program. NHU currently has no scholarships or other financial aid available for international students. If the minimum requirement of \$25,000 is not met, applicant must provide written explanation regarding other sources of financial stability for the duration of the degree program, and this must be approved by the director of admissions.
- Passing TOEFL Test scores: a paper-based minimum score of 450, or a minimum computer-based score of 133 will require further language development courses. No additional requirements for paper-based scores of 500 or above, or a computer-based TOEFL score of 173 or above.

When the Office of Admissions receives all required documentation (i.e., the information required for all applicants plus the above-mentioned declaration and bank letters), the application will be evaluated, and a letter of acceptance or denial will be issued.

International applicants and permanent residents should submit a certified copy of official records from each secondary or middle school, university, or professional school attended. International applicants are required to submit a general transcript evaluation with GPA calculation from a professional evaluation agency. For a list of recommended evaluation agencies, please contact the Office of Admissions. A certified English translation of all documents must be provided. See [www.nhu.edu](http://www.nhu.edu) for additional information on international student requirements.

### Teacher Credential Program

Candidates are required to satisfy the following requirements to be accepted into the credential program:

- A bachelor's degree from an accredited institution, or a verified baccalaureate from an accredited foreign institution evaluated as comparable to a U.S. institution
- Passing scores on the California Basic Educational Skills Test (CBEST)
- Must have earned an overall cumulative GPA of 3.0 (or higher) on a 4.0 scale in undergraduate studies. Students who do not meet this requirement must petition in writing to be considered for admission to the credential program. Students may be admitted into the credential program on a probationary status for their first semester of enrollment. Failure to meet the 3.0 requirement for first semester of study may disqualify the student.

In addition, students need to provide the following to the Office of Admissions:

- NHU admission application
- \$50 non-refundable admission fee
- Enrollment Agreement
- Official transcripts from all colleges attended; must be sent directly from the originating college to NHU
- Two letters of recommendation addressed to NHU
- Statement of purpose
- High School Graduation Statement form; or GED Equivalency form; or equivalent.

*Official transcripts must be sent directly to the Office of Admissions from each originating high school/agency and/or each college attended. "Issued to Student" transcripts will not be accepted.*

### FINANCIAL AID

The goal of NHU's Office of Financial Aid and Scholarship is to deliver student aid efficiently and to help ensure the availability of aid for students who qualify, and who, without such assistance, would be unable to pursue their educational goals at NHU.

Eligibility for financial aid can include U.S. citizenship, permanent residency status, academic merit, and financial need. Financial need is determined by the difference between the cost of attending NHU and the expected family contribution (EFC, the amount the student and student's family expect to contribute toward the student's education).

Approximately 70 percent of NHU's undergraduates receive some financial aid in the form of scholarships, grants, loans, college work-study, or some combination of the four.

Financial aid forms are available at the Office of Financial Aid and Scholarship. After we receive your completed Free Application for Federal Student Aid (FAFSA), the needs analysis helps us create an appropriate financial aid package—usually a combination of scholarships, grants, loans, and work-study on campus.

**The FAFSA code for National  
Hispanic University is 016968.**

California residents are encouraged to submit the GPA Verification Form (available from their high-school counselor or college financial aid office). Students must submit a complete FAFSA and GPA Verification Form between January 1 and March 2 to apply for Cal Grant. Students may still submit FAFSA after March 2, however, to apply for Federal Aid.

**The financial aid application process is separate from the admission application process. Regardless of when you apply for admission, you should apply for financial aid as soon as possible.**
