

## The National Hispanic University PLACEMENT TEST INFORMATION SHEET

---

### ***Why do I have to take the test?***

The Placement Exam is designed to determine which course placements are appropriate for the students and whether students need developmental (remedial) work before they can enroll in college courses.

### ***What does the test cover?***

- The test measures the students' knowledge and skills in English and Mathematics.
- The English part of the test consists of two sections: "Reading Comprehension" and "Sentence Skills" (Grammar).
- The Math portion of the test consists of Arithmetic, Elementary Algebra, and College Level Mathematics.
- The Reading, Sentence Skills, and College level Math each consists of 20 multiple-choice questions.
- It is recommended that students review their high school textbooks from high school to prepare for the Math portion of the test.

### ***How long is the test?***

There is no prescribed time for the test; however, most students taking the test finish it within 120 minutes.

### ***Where do I take the test?***

The placement test is administered in **the Student Academic Assistance Center (SAAC)**, which is located on the second floor across from the academic information desk.

### ***How often is the test offered?***

See the Test Schedule.

### ***Who do I call if I have more questions about the test?***
