Re: Tuition increase effective Fall 2009

As you are aware, since its earliest years NHU has maintained the lowest tuition rate of Independent/Private Universities in the nation. It is still our goal to offer quality education while maintaining a tuition that is affordable for our students.

The Administration has reviewed the tuition structure that has been in existence for the past several years. Based on increasing annual operation costs and a thorough review of the tuition, the Administration recommended to the Board of Trustees an increase in the tuition costs for undergraduate students to take effect starting with the Fall 2009 semester. Accordingly, the following is the new tuition:

✓ Undergraduate/Certificate	\$260.00/unit
✓ Open University – Undergraduate/Certificate	\$300.00/unit
✓ Graduate/Teaching Credential	\$290.00/unit
✓ Open University – Teaching Credential	\$325.00/unit

The registration fee will remain the same at \$100.00 per semester.

The Fall semester begins in August 2009. We appreciate your enrollment in NHU and welcome you as you register for the Fall semester of 2009.
