NHU will meet the needs of students, faculty, staff, alumni to fulfill its mission

A key element to this is:

**NHU will have a system for personnel to grow, be rewarded, change**

The following are barriers to full and continued achievement of this goal

- Some students' are not proficient in English
- Some students are not technologically literate
- Some students may be frustrated with their NHU experience
- NHU's range of majors and class offerings is perceived by students as too limited
- Students are exposed to the same professors in many different courses
- Many students do not finish their homework
- Many students hold down jobs in addition to going to school
- Students are not technologically literate
- Some students may not have a college mindset
- Some students' are not proficient in English
